

April 25, 2011

Dear Recipient of Services and their families,

We are writing to you today to make you aware of upcoming Legislative changes that may affect you. It is important that you are aware of the changes and advocate for your continued services. We have concerns that the proposals at the General Assembly could have adverse affects on the services you receive.

There are two proposals at the General Assembly currently under consideration. We have summarized them for your review:

- Department of Health and Human Services Appropriations Subcommittee on Health and Human Services - 2011-DHHS – H29B:

Summary found on page 17

1. Reduce the Community Services Fund (IPRS/State Funds) by twenty million dollars
2. Counties can no longer provide Community Services Funds for Medicaid recipients (**if you have Medicaid you can no longer access IPRS funds – DT, PA, ADVP, LTVS**)
3. Effective January 1, 2012 the Division will implement a copayment for all developmental disability services

- 1915 (b)(c) Waiver Expansion for People with Intellectual and other Developmental Disabilities:

Summary information found <http://ncdhhs.gov/mhddsas/> or <http://ncdhhs.gov/dma>

1. The Department of Health and Human Services is pursuing a policy for expanding an existing Medicaid waiver. The managed care program will follow the waiver currently offered in the PBH LME (Piedmont Behavioral Health Local Management Entity).
2. **TARGETED CASE MANAGEMENT WILL RETURN TO THE LME/WAIVER SITE** under the 1915(b)(c) waiver. Your current TCM provider will no longer be able to provide the coordination, advocacy and care they currently provide to you.
3. LME's will have discretion over who is in the provider network and may limit your options – **you may lose your current provider.**
4. There will be 8 to 10 waiver sites for 100 counties.
5. CAP-MR/DD program will be replaced. It will mimic what PBH currently has in place.

We are urging you to take the time to speak your voice about the above proposed changes to your services. We need your help! Please contact your local state representative and your local state senator to let them know how you feel about the proposed changes and what those changes will mean to you. Let them know why you are opposed to these changes. Also, contact DHHS at contactdmh@dhhs.nc.gov and let them know how this will cause an impact on you.

We have included a list of all of the Legislators in the state of North Carolina. You should access the following website to look up your address to find out who represents your district. <http://capwiz.com/cdpmi/home/> Please let your voice be heard!

Feel free to contact either of us should you have additional questions. We look forward to **continuing** to serve you!!

Sincerely,
